

2010-2011 School Year

Dear Parent(s) and Student(s),

During student retreats, the staff of Seton High School attempts to provide for all students a quiet, prayerful and respectful atmosphere. We also promote time for personal self-reflection and faith sharing.

The atmosphere of the retreat is seriously compromised when cell phones are in use in this type of setting. Therefore, out of respect for all students involved in these retreat experiences, the possession and/or use of cell phones (including text messaging) are strictly prohibited on all student retreats and will carry a more rigid consequence than in another circumstance. **Beginning September 2003 any student who chooses to use a cell phone on retreat will earn 9 conduct points (this includes a Saturday school) and will be sent home from retreat. The student will then have the responsibility of scheduling a different retreat to attend in order to meet her retreat requirement.**

If an emergency should arise during retreat, parents have access to an emergency phone number at the retreat facility and staff members are able to access phones should a need arise.

Thank you for your understanding in this matter. Your support of this issue promotes a quality and prayerful retreat for all students. If you have any questions or concerns regarding this issue, please contact Mrs. Jan Linz, Campus Minister, at 471-2600, ext. 120.

Sincerely,

Donna Brigger
Principal
