

The Ohio Graduation Test for all sophomores will take place Monday, March 15 through Friday, March 19, 2010. These are very important days for the sophomore class, as well as for any student who might be retaking a test. Please read the following directives carefully and note when you will be needed for assistance. The testing will last from 8:00-10:30am each day.

During the OGT testing program, sophomores will be separated into testing groups by homeroom. At the conclusion of homeroom each morning, sophomores should report to the testing room that their homeroom has been assigned. At the end of the testing period, 10:30am, students will go to their regular 3rd bell class (period C on Monday, Wednesday, Friday, and period B on Tuesday and Thursday). Elder and Seton will use a special schedule for the entire week, which is attached.

The tests will be given as follows:

Monday, March 15th – Reading

Tuesday, March 16th – Math

Wednesday, March 17th – Writing

Thursday, March 18th – Science

Friday, March 19th – Social Studies
